

# Knoxville Creek California

Monthly Data run on 2/1/2023 14:27

## Ave. Average Air Temperature (Deg F)

Monthly flags

a = 5-10% missing, b = 10-15% missing, c = 15-20%, ..etc..,

Annual flags

a = 1 mo. missing, b = 2 mo. missing, c = 3 mo., ..etc..,

All annual and long-term statistics based on monthly values in table, not original data; thus,  
some values will be different if computed from original data.

Maximum missing monthly data allowed for annual and long-term statistics: 70%
